**Re: United States v. Cornell Neilly
21 Cr. 94 (VEC)**

Dear Judge Caproni,

I write to respectfully request that the Court adjourn the sentencing, which is currently scheduled for June 14, 2022, for approximately 30 days. I wrote to the Court last month saying that the expert we retained had become temporarily unavailable and as such, we needed additional time to complete our submission. After our request was granted, I spoke with the expert and gave her a new deadline. Unfortunately, there seems to have been yet another delay from the expert; I understand she is out of the office and is not currently responding to inquiries.

I regret having to ask for yet another adjournment, but I do think it is in Mr. Neilly's best interest that we have all mitigation materials available for the Court before proceeding. I have spoken to Assistant United States Attorney Brandon Harper, and he consents to this request.

Thank you for your consideration.

Respectfully submitted,

/s/
Sylvie Levine
Counsel for Mr. Neilly
